Dear Parent/Guardian,

Greetings in the name of the Almighty God.

We are deeply grateful to God for a peaceful and successful semester, which concluded without any disruptions or negative incidents.

I would also like to extend my sincere appreciation to you, our parents and guardians, for your tireless efforts in meeting your children's financial requirements, with special thanks to those who have cleared their fees to a zero balance.

ACADEMICS / SCHOOL ACTIVITIES

We are proud to report a highly successful period of school activities. Our students fully immersed themselves in everything from their daily studies (teaching and learning), field placements and sports to competing remarkably at the Regional Sports Tournament organized by the Ministry of Education & Sports in Pallisa.

CLOSURE

Official closure for the semester is scheduled for Saturday, **27th, June 2026**. However, students who conclude their exams early are cleared to travel home as soon as their papers are finished.

FEES / TUITION

- ❖ The fees/tuition has remained the same and the mode of payment is as follows:
- ❖ All students are supposed to pay up to 100% fees on reporting without fail.
- ❖ No student is allowed to leave his/her personal property on the school premises. All hostels should be left open.
- ❖ Students with fees balances for previous semesters should pay up to zero balance.
- ❖ All students are asked to abide by the above rules, short of which NO student will be allowed to register for final exams (UHPAB) with uncompleted fees for the semester.
- ❖ Every student was given a school pay code which they are supposed to use for fee payment.

RESUMPTION

Semester two will re-open on **July 27, 2026**, following the confirmed dates from the Ministry of Education & Sports (subject to government changes). Reporting hours are **9:00 am to 4:00 pm (Monday-Friday)**.

I wish you a happy stay with your children and guide them on all matters pertaining to life, encourage and support those that are still continuing with their programmes not to relax but to work hard for better performance.
